## **Announcement of AICM New Advisory Board Members**

The Board of AICM is pleased to announce the appointment of Allan Gabor, Managing Director, Merck Holding (China) Co. Ltd, and Marcus van Tilborg, BU Director ISC, Ethylene and Sulfur Derivatives Nouryon as the new Advisory Board Members as of November 20, 2018.

Allan Gabor gains rich experience in regional management as well as business development. He will support Public Relation and Communication Committee as well as the Industry Affairs Special Taskforce. Marcus van Tilborg has strong technical background in operation as well as supply chain management. He was also very active in AICM when he was with AkzoNobel, the former Nouryon. He will support Responsible Care Committee as well as Industry Policy Advocacy Committee. The Board welcomes them on board and looks forward to their strong supports for AICM.

Bios of Allan and Marcus are attached and the announcement will be posted on AICM website [www.aicm.cn](http://www.aicm.cn).
